The **Rochester Amateur Radio Association, Inc. (RARA)** is a widely diversified, highly active amateur radio club located in Rochester, NY. We were founded in 1931 and incorporated in September of 1960. Currently, with over **500** active members, we are one of the largest Amateur Radio clubs in North America. Our annual Hamfest attracts attendees from far and wide. **RARA** provides a unifying focal point for much of the Amateur Radio activity in Western New York; focusing on education, entertainment, and camaraderie.

RARA holds monthly meetings on the first Wednesday of each month at the Seneca Waterways Council, BSA headquarters at 2320 Brighton Henrietta Town Line Rd. Meetings begin at 7PM both in-person and online. Please check our website for a registration link and additional information.

Come join us online or at an event. It is a great way to learn, participate and have fun!

The Rochester Amateur Radio Association, Inc. is a 501(c)3 Educational Corporation.

PUBLIC SERVICE

RaRa members, in cooperation with ARES and RACES, provide reliable communications during disasters and other emergencies at the local and national level. RaRa members participate in many public service events each year. Our extensive Public Service activities help build public awareness and generate goodwill toward Amateur Radio and provide needed communications to worthy charities and non-profit organizations, all while fostering and enhancing emergency communication skills and preparedness.

Public Service projects include:

- ◆ Tour de Cure
- ◆ Pumpkin Patrol
- ◆ Bike MS: ROC the Ride
- ◆ Jamboree on the Air
- ◆ Fairport Lift Bridge Regatta
- ◆ RMSC Holiday Science Exhibit

EDUCATION

RaRa sponsors spring and fall licensing courses in the Greater Rochester area. Courses cover all license classes and provide many opportunities to prepare for a new license or upgrade. Our Elmer program also helps hams get on the air.

RARA also holds numerous Academies throughout the year covering a variety of ham-related subjects.

TECHNOLOGY GRANT

RaRa supports the STEM initiative for Science, Technology, Engineering and Math through the RaRa Technology Grant. The grant provides funding for educational projects and equipment needs in the STEM fields of electronics and radio communications with emphasis on youth-based activities. See our website for more details.

MEETINGS AND GUEST SPEAKERS

RARA meets regularly on the first Wednesday of the month, August through May with June dedicated to the Hamfest and July to our annual picnic. Each month, a new guest speaker joins us to entertain and educate, covering a broad spectrum of subject matter. Meeting topics range from the fundamentals of electronics and radio to the highly-technical intricacies of voice, text, image, and data communications, pushing the boundaries of Amateur Radio.

MEMBERSHIP REWARDS

Any member who performs a service for the club, such as volunteering at a public service event or holding a non-elected office, is rewarded with points. The points are accruable and redeemable for payment of membership dues or for tickets to our annual banquet or gift certificates to the ARRL or an amateur radio vendor.
